

Custom Work

If your looking for custom design, please bring any ideas to the studio and discuss what you have in mind, portrait work is always accepted, bespoke designs, sleeves, back pieces, chest plates or stand alone individual tattoos are a speciality.

Size and positioning will be discussed at length in order to produce the perfect design. Much of the studios work comes from recommendations from satisfied clients, with a strong varied client base who travel from Lancaster, Southport, Blackpool and Liverpool among others: Success is inevitable!

Please drop in, phone or email to discuss your requirements. Although it is advisable to discuss any artwork in person in order to take full advantage of the media and ideas available in the studio. It would be advisable to ring and book a consultation to dedicate the necessary time to getting the very best artwork that you deserve.
